SUBJECT INDEX TO VOLUME XXVI

(Bi.B.) = Biographical Brevities; (Bo.B.) = Bookshelf Browsing; (E.) = Editorial

Abdomen, acute surgical, metallic poisoning simulating, 175
Abscess, perinephritic, 262
  perinephritis and, 255
  subphrenic (subdiaphragmatic), 467
Acidity, gastric, in carcinoma of stomach, 447
Actinomycosis of female genital organs, 374
Aged, acute appendicitis in, 321
  patient, trauma and, 82
Air-cushion reduction of incomplete vertebral fracture dislocations associated with spinal cord injuries, 513
Alcohol, a surgical problem?, 352
Anesthesia, evipal sodium, a short intravenous, 516
  medicolegal aspects of deaths associated with, 168
Antiseptic solution, new and superior, clinical results from use of, 522
Apparatus, portable, for hyperextension of spine, 595
Appendicitis, acute, in aged, 321
  death from, a preventable mortality, 317
Appendix, primary leiomyosarcoma of, 357
Asphyxia: historical background (Bo.B.), 221
  negative pressure cabinet (respirator) treatment of, 354
Asphyxiation—a basic problem in medical education, 216
Automobile accidents, characteristic contact bruises, abrasions and other injuries in, 88
Autopsy, importance of, to surgeons (E.), 4

Bacterial invasion of blood stream, 486
Biographical Brevities:
  Joseph Leidy, 598
  William Edmonds Horner, 401
Bladder, primary carcinoma of, in man with primary carcinoma of breast, 387
Blood stream, bacterial invasion of, 486
  transfusion needle, 592
Bone surgery, plastic, living sutures as supplement to, 362
Book Reviews:
  Bronchoscopy, esophagoscopy and gastroscopy (Jackson and Jackson), 605
  Clinical miscellany, Mary Imogene Bassett Hospital, 413
  Collected papers of Mayo Clinic, vol. xxv (Mellish-Wilson and Hewitt), 413
  Diseases peculiar to civilized man (Crile), 412
  Doctor and citizenship (Kitchin), 413
  Entwicklung der Augenheilkunde in 18. und 19. Jahrhundert (Bader), 605
  Handbuch der gesamten Unfallheilkunde (Konig and Magnus), 607
  International clinics, 413
  Investigations of postoperative acidosis and ketonuria (Roscher), 606
  Life of Sir Robert Jones (Watson), 607
  Moderne Finsenbehandlung (Lomholt), 607
  Radiologic exploration of mucosa of gastrointestinal tract (Cole collaborators), 412
  Surgery of a general practice (Hertzler and Chesky), 413
  Surgery of sympathetic nervous system (Gask and Ross), 413
  Tumors of the female pelvic organs (Meigs), 605
Books received, 607
Bookshelf Browsing:
  Asphyxia: historical background, 221
  Concerning history of syphilis, 402
  "Plain Remarks"—America's first manual of surgery, 599
Brain, examples of unrecognized ice pick wounds of, unusual fatal stab wounds of head and neck with, 53
Breast amputations, method to avoid skin grafting in, 298
  plastic repair of, prevention of necrosis in, 292
  primary carcinoma of, in man with primary carcinoma of bladder, 387
Bronchiectasis, suppurative, surgical treatment, 543
Bruises, characteristic contact, abrasions and other injuries in automobile accidents, 88
Burns, complications associated with treatment of, 124

Cabinet, negative pressure (respirator) treatment of asphyxia, 354
Calculi, urethral, 391
Carcinoma of cervix, early squamous-cell, Schiller's test for, 281
  of portio uteri, early diagnosis of, 269
  primary, of breast in man with primary carcinoma of bladder, 387
  of stomach, gastric acidity in, 447
  of ureter, 550
Cerebral and coronary thrombosis, operation and trauma as cause of, 35
Cervix, early squamous-cell carcinoma of, Schiller's test for, 281
Chloroform or ether, medicolegal aspects of deaths associated with, 168
Cholecystectomy, postoperative morbidity in, isoiodeikon liver function test as index of, 457
Coronary and cerebral thrombosis, operation and trauma as cause of, 35
Correspondence, 400
Court procedure, medicolegal, suggestions for improving, 199

Diabetic, surgery in, 340
Dial, use of solution of, with urethane, in obstetrics, 288
Death from appendicitis, a preventable mortality, 317
Dislocation of knee joint, complete, 332
Drainage in perforated peptic ulcer, problem of, 394
Drug addicts, epidemic of fatal estivo-autumnal malaria among, 111
Duct, thoracic, injuries of, 64

Editorial:
  A query, 416
  Importance of autopsy to surgeons, 4
  Practitioners of medicine and public, 229
  Relation of forensic medicine to surgery, 1
  Reports and resolutions, 415
Education, medical, asphyxiation a basic problem in, 216
Embolism, fat, clinical diagnosis of, 27
  pulmonary, following surgical operation, 15
    and thrombosis of veins of lower extremity as complication of trauma, 19
Empyema, 231
Epithelioma developing on varicose ulcer, 372

Ether, chloroform or, medicolegal aspects of deaths associated with, 168
Evipal sodium: a short intravenous anesthesia, 516

Fat embolism, clinical diagnosis of, 27
Femur and humerus, fractures of, Knickerbocker tongs as applied to, 398
Fibromatosis, intestinal, 561
Fingerprints, changing of, 533
Firearms, wounds by, in civil life, 43
Fistula, persistent abdominal, roentgen-ray study of, 566
Forensic medicine, relation of, to surgery (E.), 1
Fracture dislocations, vertebral, associated with spinal cord injuries, air cushion reduction of, 513
of humerus and femur, Knickerbocker tongs as applied to, 398

Genital organs, female, actinomycosis of, 374
Goiter, correct and incorrect use of iodine in treatment of, 417
Grafting, skin, method to avoid, in breast amputations, 298
Grafts and transplants, 528

Head injuries, 152, 535
and neck, unusual fatal stab wounds of, with examples of unrecognized ice pick wounds of brain, 53
Hematemesis due to trauma of liver, 568
Hemorrhage, so-called spontaneous subarachnoid, 143
traumatic intracranial, 133
Horner, William Edmonds (Bi.B.), 401
Humerus and femur, fractures of, Knickerbocker tongs as applied to, 398

Ice pick wounds of brain, examples of unrecognized, unusual fatal stab wounds of head and neck with, 53
Identification by means of roentgenograms, 195
Implants, experimental intrauterine ovarian, preserving neurovascular pedicle, 584
Infantile paralysis, recovery from, during first year, 326
Infection, puerperal, 90
Infusion reactions, 479
Injuries, characteristic contact bruises, abrasions and other, in automobile accidents, 88
head, 152, 536
relationship of organic disease to, 185
to thoracic duct, 64
and tumor, normal shadow of peripheral nerves and their pathological change in, 300
Institutes of legal and sociological medicine, 207
Insurance, workmen's compensation, relation of physician to, 182
Intestinal fibromatosis, 561
obstruction, late low, danger of sudden deflation of acutely distended bowel in, 438
Iodine in treatment of goiter, correct and incorrect use of, 417
Isoiodeikon liver function test, 457

Knee joint, complete dislocation of, 332
surgical conditions of, 499
Krukenberg tumor of ovary, 575

Legal and sociological medicine, institutes of, 207
Leidy, Joseph (Bi.B.), 598
Leiomyosarcoma of appendix, primary, 357
Levine tube, unusual complication with, 466
Liver function test, isoiodeikon, 457
trauma, hematemesis due to, 568

Malaria, etivo-autumnal, epidemic of fatal, among drug addicts, 111
Malignancies, multiple primary: primary carcinoma of breast in man with primary carcinoma of bladder, 387
Medicolegal aspects of deaths associated with chloroform or ether, 168
court procedure, suggestions for improving, 199
Metallic poisoning simulating acute surgical abdomen, 175

Necrosis, prevention of, in plastic repair of breast, 292
Needle, blood transfusion, 592
holder, modified, 594
Nerves, peripheral, normal shadow of, and their pathological change in injury and tumor, 300

Obstetrics, use of solution of dial with urethrane in, 288
Obstruction, intestinal, danger of sudden deflation of acutely distended bowel in late low, 438
Operation and trauma as cause of coronary and cerebral thrombosis, 35
Organic disease, relationship of, to injury, 185
Ovarian implants, experimental intrauterine, preserving neurovascular pedicle, 584
Ovary, Krukenberg tumor of, 575

Pancreatitis, acute, occurring simultaneously in mother and daughter, 368
Paralysis, infantile, recovery from, during first year, 326
Perinephritic abscess, 262
Perinephritis and perinephritic abscess, 255
Peripheral nerves, normal shadow of, and their pathological change in injury and tumor, 300
Physician, relation of, to workmen's compensation insurance, 182
"Plain Remarks"—America's first manual of surgery (Bo.B.), 599
Plastic bone surgery, living sutures as supplement to, 362
repair of breast, prevention of necrosis in, 292
Pleurisy, suppurative, 248
Poisoning, metallic, simulating acute surgical abdomen, 175
Portio uteri, carcinoma of, early diagnosis of, 269
Postpartum septicemia due to staphylococcus aureus hemolyticus, 378
Practitioners of medicine and public (E.), 229
Pregnancy, normal, upper urinary tract during, 431
Pressures, differential, in resuscitation and thoracic surgery, 345
Public, practitioners of medicine and (E.), 229
Puerperal infection, 90
Pulmonary embolism following surgical operation, 15
and thrombosis of veins of lower extremity as complication of trauma, 19

Query (E.), 416

Replacement of uterus post partum, 283
Reports and resolutions (E.), 415
Respirator (negative pressure cabinet) treatment of asphyxia, 354
Resuscitation and thoracic surgery, differential pressures in, 345
Rhinoplastic surgery, ideals in, 524
Roentgenograms as means of identification, 195
Roentgen-ray study of persistent abdominal fistula, 566

Schiller's test for early squamous-cell carcinoma of cervix, 281
Septicemia, postpartum, due to staphylococcus aureus hemolyticus, 378
Shock, speed, infusion reactions with special reference to, 479
Skin-grafting, 572
method to avoid, in breast amputations, 298
Sociological and legal medicine, institutes of, 207
Speed shock, infusion reactions with special reference to, 479
Spine, hyperextension of, portable apparatus for, 595
injuries to, management of urologic complications in, 159
Splint, "U" or "sugar-tong" moulded plaster, 336
Status lymphaticus, 7
Stomach, carcinoma of, gastric acidity in, 447
Subarachnoid hemorrhage, so-called spontaneous, 143
Subphrenic (subdiaphragmatic) abscess, 467
Surgery in diabetic, 340
Surgical conditions of knee joint, 499
Sutures, living, as supplement to plastic bone surgery, 362
Syphilis, concerning history of (Bo.B.), 402

Testimony, medical, 204
Thoracic duct injuries, 64
surgery, differential pressures in resuscitation and, 345
Thrombosis, coronary and cerebral, operation and trauma as cause of, 35
of veins of lower extremity and pulmonary embolism as complication of trauma, 19
Tongs, Knickerbocker, as applied to fractures of humerus and femur, 398
Transfusion, blood, needle, 592
Transplants, grafts and, 528
Trauma and aged patient, 82
of liver, hematemesis due to, 568
and malignant tumors, 66
operation and, as cause of coronary and cerebral thrombosis, 35
thrombosis of veins of lower extremity and pulmonary embolism as complication of, 19
Traumatic intracranial hemorrhages, 133
peptic ulcer, 74
Tube, Levine, unusual complication with, 466
Tumor, injury and, normal shadow of peripheral nerves and their pathological change in, 300
Krukenberg, of ovary, 575
malignant, trauma and, 66

Ulcer, peptic, perforated, problem of drainage in, 394
traumatic, 74
varicose, epithelioma developing on, 372
Ureter, carcinoma of, 550
Urethane, use of solution of dial with, in obstetrics, 288
Urethral calculi, 391
Urinary tract, upper, during normal pregnancy, 431
Urologic complications in injuries to spine, management of, 159
Uterus, replacement of, post partum, 283

Varicose ulcer, epithelioma developing on, 372
Vertebral fracture dislocations, associated with spinal cord injuries, air-cushion reduction of, 513

Wounds by firearms in civil life, 43
unusual fatal stab, of head and neck, with examples of unrecognized ice pick wounds of brain, 53
